

Patrick Martineau, ASSOC. AIA, CSI. Architect

Highly creative and versatile Architectural Designer with extensive experience in overseeing architectural and design projects from concept through implementation. Talented in generating creative solutions for projects while sustaining real world ideas and accessible project parameters. Motivated by collaborative environments where design vision and context can be integrated. Exceptional leadership and interpersonal skills with the ability to lead and coordinate top-level project design teams. Excel at delivering a clear vision and responsive designs that promote a sense of community and place.
